***"A Democrat in Ways, as Well as in Party Principles"***

Many uphold his constant warfare against social artificiality.

One of the hardest propositions before congress is to convince the beneficiaries of high prices that they are getting too much.

### County School Notes

By Miss Virginia Luten  
County Supt.

There will be a competitive examination at the Court House on July 21st for the purpose of selecting an appointee for free tuition to State University. The legality of the law authorizing appointments to the University is now being tested in the Court of Appeals, hence the appointment granted will be subject to the decision of the court.

Supt. Gilbert informs us that he expects the last payment of the state school funds for the present school year to be paid during the earlier part of August. Because of the railroad tax suits the state was unable to meet this payment when due.

Sycamore Chapel, New Hope and Taylor schools will open July 2nd.

The Courier editors attended the First District Press Association meeting at Mayfield last Friday and spent a most delightful day in company with the scribes of the "Pennyville" district. The Mayfield Commercial Club and the good ladies of that city served a "burgoo" dinner, after which the visitors were given an auto excursion over the new state highway road to Sedalia. Returning, they were shown through the big plants of the clothing factories of the Merritt Mfg. Co. and the Mayfield Woolen Mills. The latter factory is a large concern, working about a 1000 people. Here one may see the raw wool starting with washing, carding, dyeing, spinning, weaving, cutting, sewing, etc., to the famous finished product of this mill. Mayfield claims the distinction of the largest woolen mills in the middle west, the largest loose leaf tobacco market in the world, besides having George Bingham (the Hogwal-low humorist) and some of the most hospitable people on earth. Mayfield is a splendid, progressive little city.

### IN MEMORIAM.

The sickle of death as been reaping in our ranks, and has taken from us one of our charter members—Mrs. Henri Buchanan, whose death occurred in Belmar, New Jersey, May 23, 1917.

Her quiet and useful life will be missed, not only by members of the Private Robert Tyler Chapter, United Daughters of the Confederacy, but by her many friends in Hickman, among whom she lived so many years.

Long and successfully shrouded in her many relations among us, then gracefully and lovingly retired and waited uncomplainingly until the end came, which was peace—sweet peace.

Therefore, although sorrowful ours, we, the members of the chapter, bow with humble obedience to the will of God.

And be it—Resolved, That a copy of these resolutions be spread upon the minutes of the Chapter, a copy sent to the relatives, and a copy be furnished the Hickman Courier for publication.

Respectfully submitted,  
Mrs. J. A. Thompson,  
Mrs. Davenport Guerry,  
Mrs. T. A. Ledford.

Hugo Fethe, of Clarksdale, is expected home Sunday to visit his mother, Mrs. Gertrude Fethe, and family.

James Lee Bondurant is attending school at Kimberlin Heights, Tennessee.

Watt Moore, of Jackson, spent Thursday of last week with E. B. Johnson and wife.

Jack Murphy, of Fulton, spent Friday and Saturday in town.

Miss Martha Virginia Moore and Master Morris Moore have returned to their home at Jackson. Mrs. R. B. Johnson accompanied them home, spending a few days.

Miss Marguerite Fuqua will begin a six weeks summer class in piano and voice Monday, July 2. Those wishing to study please enroll before Monday if possible.

You can "see what's what" in the big line of summer clothing, shoes, straw hats, shirts and furnishings at Leibovitz "Live Store."

Mrs. Cordie Jones and daughter, Ruth, of Mayfield, spent the week with Bernie Hughes and wife.

Modesty still exists in some of the smaller towns. Editor Ward of the Sturgis News Democrat says that Miss Maola Goad fell and broke her left "limb." As long as present fashions exist, it is just as well to call a spade a spade.

Mrs. W. E. Lynch and children will return home this week after a visit to relatives at Rector and Greenway, Ark.

Mrs. C. H. Moore and children spent Sunday and Monday with Mrs. Wright Phibus, of Union City.

Miss Bess Choate spent a few days this week with Miss Evangeline Glover, of Union City.
